Description

Only in a sale like this would you be able to purchase such a well-known cow in the Brahman breed, Ms. L2 Jazzys Jasmin 125. This cow is the epitome of the breed, having many different titles. 125 is one of those cows you dream of having in your pasture, and this is your chance! She is a big broody female with that feminine look from the side, solid from the ground up, combining a significant hip extended out of her front end and a deep body. This cow is built on a large bone and foot size, having already proven herself in the show ring by being named the 2016-2017 Premier Brahman Female of Florida. Not only is she good phenotypically, but genotypically she ranks in the top 20% of the breed for seven traits, including growth, REA, Marbling & Tenderness. We don't think you can find one much better as she is sired by the 183/7 "Gator," who died at a very young age, leaving only four known daughters out of him that L2 ranch owned. 183/7 represents the

"Rose" family and is out of the 2005 Reserve International Champion Female, Miss V8 209/6. Her grandsire 380/6 "The Machine" is known by many brahman enthusiasts worldwide as a performance bull that ranks in the top 1% of the breed for WW, YW, and in the top 3% for marbling. This female's dam, Miss L2 Jazzy 21, was the 2013 Grand Champion Female in Florida and had a half-sister named the 2015 ABBA Premier Show Cow of the Year. Not to mention, 125's offspring not only has been very successful in the show ring but also in production. You will not want to miss this opportunity because it is very special to us! Buy with confidence as this female does not fault as she is just as good as the day she walked out of the show ring. Don't miss out on purchasing and owning full rights to Ms. L2 Jazzys Jasmin 125!!

Special Notes – will be confirmed bred 45 days to LMC LN Polled Prodigy 188/7 (P) before pickup.
