Description

Ms. DFF Tanasi Bross Manso is a one-of-a-kind scurred female that you don't want to miss out on!! She is a smooth-shouldered female that stands on a HUGE foot and bone. When you get her into motion, she is a truer striding female thicker in her stifle but still has that extra feminine and refined head and neck. She is sired by Mr. DFF Tanasi Bross Manso, who, as we said in the previous lots, is the bull that brought Diamond F Farms "to the top." He is a son of the Maternal

Grand Sire, (=) JDH 204/2 YL Manso who came from the Locke division of Jd Hudgins and is direct from the lines of the very sought-after MN Mayro Manso 433/2. The dam to this eye-catching female is Ms. DFF Tanasi Bross, a leading donor for Diamond F. These DFF branded females come from Marcus Shackleford of Florida and Mr. Bobby Davis of Louisiana, making these females very performance-oriented, having good udder quality and a good docility score. To top this offering off, Tanasi Bross ranks in the top 10% of the breed for yield grade, 15% for CEM, and 20% for birth weight. If you are in the market to purchase females that will calve unassisted and have high-growth calves, then Ms. DFF Tanasi Bross Manso is the one for you!!
