Description

We keep them classy around here, ladies and gentlemen, and JD Miss Polled Caroline is just that!! She is a smooth female with a lot of class that you can't help but like. You love how wide she is from stifle to stifle and still presents herself in a moderate package. When you get her on the move, you know she will cover her tracks every time. She is sired by JMH Crimson-Ray (P) 62, the sire of many calves on the eastern coast, and is also generated by the world-famous register of renowned bull, +Mr. 3H X-Ray 825. "X-Ray" is a bull that has been used successfully worldwide besides making its impact in the United States. X-Ray sired calves always catch the public's eye with their glorious red color, clean lines, strong beef qualities, and great gentle dispositions. The dam to this super gentle female is JD Delta 229/16 sired by SR. Humphrey 111 and out of a J&D Farms branded cow, L.C. Binks. As you can see, ladies and gentlemen, Caroline carries some of the most proven genetics of the Brahman breed, and to top it off, she ranks in the top 10% of the breed for yield grade and the top 15% for birth weight. This is a female, as you can tell she is so good it hurts your eyes to look at her! Making this deal even sweeter, you see that "(P)" behind her name! YES, she is smooth POLLED!! Don't miss out on superior genetics from JD Miss Caroline, a female who is POLLED, PRETTY, and POWERFUL!
