Description

If you are looking for an all-around heifer that can do anything with and rise to the top, Look NO Further than this beauty!! 65R Miss Lady 14 is everything that she sounds like. This youthful appearing female is captivating from all angles, but especially when she is on the move. You love her length of stride and ability to get out and move to know she is tough to miss. This babydoll of a heifer is feminine in her design but still stands firm on her bone structure. She is sired by Mr. V8 347/8, a big-boned, very muscular bull that puts all of his pieces together in a super eye-appealing package. Cattlemen appreciate his build, but breeders also love his pedigree as he is a son of +Mr. V8 458/7 "Noble" who has been the most successful sire of show winners over the past three years. The dam to 347/8 is Miss V8 387/6, who is still in production at 16 years of age and is sired by +JDH Charley's Jazz 946/1 and out of Miss V8 402/5, who lived to be 17 years old. The dam to this outstanding female is CA Miss Elaine 1/0, an own daughter of the many-time champion Mr.

V8 575/7, who follows the lines of the top #1 grey bull in the breed +Mr. V8 380/6. People who study the brahman breed realize that this female is the “Golden Cross,” having both +Mr. V8 458/7 “Noble” and +Mr. V8 380/6 “The Machine” in a two-generation pedigree. If you study this female, she might be just one with the best pedigree in the entire sale, but study this offering and don’t miss out on an outstanding female that has a world of potential down the road in 65R Miss Lady 14!!
