Looky here! This, ladies and gentlemen, is a baby doll of a heifer!! You love HOF Miss Rose Valentina for her overall completeness. You study her from the ground up, and you appreciate the amount of width and dimension she has but also carry herself as a female should. When you set her into motion, you love how easily she moves off both ends of her skeleton. Not only does Rosa Valentina have a robust phenotype, but check out this pedigree! She is sired by Moreno Mr. Rock Star 625, one of the hottest sires to this date due to the success of his progeny in the USA and globally! The siring ability of Rock Star should come as no surprise as both of his parents have reached the Register of Renown due to their producing ability. The sire to Rock Star is +TJF Mr. Smokin Gun, one of the most popular sires in the Brahman breed due to the show ring success of his progeny, which led to increased values for his offspring. The dam to Rockstar, +Moreno Ms. Aspe 34, is a proven donor that produced several champions and high sellers. Aspe provides an outcross pedigree and incorporates some of the

breed's most maternal and production-oriented genetics. It should also be noted that a full sister to Rock Star was named the 2017 Reserve National Champion validating the consistency of this mating. The dam to Rosa Valentina is WR Jackie Valentino $\frac{1}{4}$, who is the own daughter of the register of renowned bull +Mr MK Jackpot 588/8, an outcross for most red Brahmans today. He is sired by the famous +TTT Mr. Texas Lotto 670 bull and Miss Ruby, a former ABBA Show Cow of the Year out of McKenney Farms. To top this offering off, Rosa Valentina ranks in the top 25% of the breed for WW, YW, and the top 15% for yield grade, making her extremely valuable to commercial cattlemen wanting to add pounds to the scales! If you are looking for a female you can run the roads with, win many shows with, and then turn out to make a top-end donor, don't miss out on this highly classy looking female from Hollow Oak Farms, HOF Miss Rosa Valentina!
