We love this HK-branded heifer from AW Farms! HK Ms. Visa Volunteer 957 is a female we have high hopes for producing not only great show cattle, look at her depth, clean lines, and significant, square hip, but also for bringing added performance to your herd. When you study her pedigree, you will see she needs no introduction on either the top or bottom of her pedigree as she is sired by HK Visa Volunteer 244, which is owned, collected, and semen marketed by ST Genetics. This sire has been used worldwide due to its dark red color, muscle, and eye appeal. As a result of his superior production, he was the #3 most widely used sire in ABBA in 2019. For the pedigree phenetics, you will realize that he combines many of the legendary bulls, including HK Visa Brasil, +Mr. 3H X-Ray 825, and +HK Passport. The dam to this outstanding female is HK Miss America 332, one of HK Ranch's best and upcoming donors of today's time. Ladies and gentlemen, you might not have the chance to buy a straight-bred HK female with this much worth ever again! To top this offering off, 957 ranks in the top

30% of the breed for birthweight and marbling. So take her home folks, and make those cherry red babies everyone is looking for with HK Ms. Visa Volunteer 957!!

Special Notes: Sells as exposed, but Ai'ed to 3X-HK Mr. 966 "Parallel" 45 days ago.
