We are staying with the good ones and as you can tell this one is special! 7L Jasmine 12/21 is a female you want to see in person when you come to the ranch. She is a female you love for her POWER and PERFORMANCE as she portrays herself carrying her head and neck just right. Covering all of her steps like a cat, she is most attracted and lights out the best moving female we might have ever had on the place. We find this female very valuable for her pedigree and performance. She is sired by Mr. Ferrell Scott 645 and out of Ms. Bonchasse 246/3, making her a full sib as everyone in the state of Mississippi knows her by her nickname "Bubbles." You can't stack the genetics any more proven than this female. 7L Jasmine 12/21 combines the essentials of phenotype, pedigree, and performance. We love this female as she is one of our favorite consignments. You have to appreciate the balanced performance profile of Jasmine as she charts positive for 11 of the 16 measured traits evaluated by ABBA. Study this offering, ladies and gentlemen. Not every day do you have the chance to

purchase an IVF aspiration on a BLACK female that is this good. If your looking to buy the best out of this sale, mark 7L Jasmine 12/21 as a definite buy!!

Special Notes: We are selling (1) IVF aspiration guaranteeing six transferable/freezable embryos produced from conventional or seller approved sexed/reverse sorted semen, with the work to be done at a facility approved by the seller. The buyer will be responsible for all costs associated with IVF procedures, including travel/hauling to the IVF facility. No guarantee if semen is sexed or reverse sorted unless you get the seller's approval before use.
