Description

Check this fancy one out!! If you are looking for a female with all the pieces of a lady, stop here and check this one out! Ms. DFF Tanasi Boss Rex is a high-quality heifer with a gentle disposition that everyone will love. You just love her for how elegant she is when you study her. Boss Rex is a big-boned female that is thick in her appearance and very smooth in her lines. She is sired by the same outstanding Mr. DFF Tanasi Bross Manso who sired the last two Diamond F females. He is sired by (=) JDH 204/2 YL Manso, who will go down in history as one of the greatest Maternal Grand Sires ever to walk the Jd Hudgins Ranch. The dam to Tanasi Rex is Ms. DFF Tanasi Bross Sugar 501, who follows the lines of Marcus Shackelford and Bobby Davis as we call these the "oldies but goodies" genetics. To top this offering off, Boss Rex ranks in the top 1/3 of the breed for birthweight and yield grade as we conclude the Diamond F Farms consignments. We want to thank

Mr. Ronnie for bringing these top-of-the-line replacement females, who are the KIND to have. They are the kind to turn out with a bull and keep for 15-20 years. They have the genetics and phenotype to raise and create some of today's most proven herd sires. You can take them and use them for outcrossing some of the most proven bulls leading the breed. Don't miss out on a proven female with Ms. DFF Tanasi Boss Rex from Diamond F Farms!!
