If you're looking for a bull that can add style, look, and genotype to your herd, check this calf out!! CDS Mr. Drake Manso (P) is a polled bull that will surely get you to the finish line in a hurry—looking to hang banners? This calf has it all as he is long and extended through his front one-third into his center body. When you get him on the move, you can tell by his striking appeal that he has stride and flexibility. Not only does this calf come packed with a unique phenotype, but it also comes from a proven cow line! Drake is sired by Mr. Triple E 9/4, who is sired by JDH Sir Gerardo Manso, which reverts to that Maternal and Register of Renowned sire (+)JDH Mr. Charley Manso 590/6 out of an own daughter to the breeds most famous herd sire +JDH Mr. Elmo Manso 309/4. On the bottom side of the dam to Drake is Miss Gwen Rio (S) 5/3, who is sired by a son of +Mr. V8 960/5 and out of a CWF Mr. Rex Crata 495 granddaughter. Drake ranks in the top 30% of the breed for WW, YW, Milk, CW, and 10% for Yield Grade and Birthweight. Folks, I haven't written a pedigree with numbers like this for

performance in a while. So if your looking for a calf that can go out and put pounds on your calves at weaning or your next champion, CDS Mr. Drake Manso is the one for you!
