Talk about a package!! CDS Mr. Pride of O'Leary Manso is a bull with "uniformity" all in one moderate package. He catches your eye right off the bat as he is deep-chested and has an eye-catching look from the side. When we talk about bone, there might not be a calf with ankles like this sucker in the sale! He is sired by the Jd Hudgins branded bull JDH O'Leary Manso 193, where his Performance Sire is (=) JDH Berkman Manso. On the bottom side, you see that the dam to this bull calf relates to some of the most famous bulls in the breed, such as (+) JDH Sir Liberty Manso, (+) JDH Copano Manso, and (+) JDH Mr. Charley Manso. To complete this lot, Pride of O'Leary ranks in the top 20% of the breed for birthweight and 10% for both yield grade and milk. So if you are looking for the "completion" to your herd, don't miss out on CDS Mr. Pride Of O'Leary Manso from CDS Farms!
