Ms. 6W Leigh Ann is a female everyone has loved since day one! As a baby, you knew she was exceptional due to her phenotypically and genetically outstanding performance. Leigh Ann is a BIG cow that possesses her appearance anytime someone is near being the life of the party. Regarding udder quality, you can't make her teat placement and size any better. She stands on a giant foot and bone but still has that picture-perfect look from the side. Leigh Ann is sired by Mr. V8 622/7, an own son of JDH Cannon Manso, and out of a +JDH Sir Avery Manso 159/7 daughter, Miss V8 498/7. On the bottom side, you see that the mother of Leigh Ann is Senorina Los Pinos 44/2, who follows the lines of her great grandsire and register of renown bull +JDH Mr. Union Manso 455/3. To make this offering even more unique, this female charts positive for 11 of the 12 traits evaluated by ABBA. If you are looking to invest in the future of "Brahman," we don't see any reason not to put a bid on this cow-calf pair!
