ABBA# 917649

Birthdate 12/20/11

PH# 201/11

Color Red

Description

[Click Here to View Pedigree & EPD's](#)

When you first look at Polled Poncho, you can't help but fall in love with the first sight! He is a double-polled and smooth-polled red brahman bull that has all the characteristics of what the brahman breed should stand for. Poncho is a super stout and rugged made bull that has just a good quality view from the side and is built correctly from the ground up. He stands on a huge foot and bone, not to mention when you get behind him, there is plenty of PURE meat in his rump to show, which is very unusual for a red POLLED bull, but Poncho has it!! He is sired by Omega S Ranch's polled herd sire OSR Mr. Polled Mcred (P) 187/8, who reverts to some exciting genetics produced from their ranch in Oregon. The dam to Poncho is also an Omega S branded female, OSR Miss Polled Sunset (P). This is one of the most outstanding polled herd sires in the breed, which can be used on many red females to create an "outcross" pedigree to many of today's most upcoming genetics. It is noted that Poncho can be used as a low birth weight bull, ranking in the top 3% of the breed for birth weight,

and to add even more value, he ranks in the top ⅓ of the breed for marbling and yield grade. To make this package even more valuable every one of his offspring has been POLLED so far!! Don't miss out on this chance to purchase semen on OSR Polled Poncho 201/11 from SXC Ranch, a great friend and first-time consignor!

Special Notes: 10 Straws of CONVENTIONAL semen with 10 AI certificates and with the option to double up - additional certificates may be purchased for \$100 each.

Quantity: 10
