Talk about a scurred female that can be used in many different operations!! Miss Gwen Rio (S) is excellent from the side, having enough length and stride like a cat. You are most satisfied when you get in behind her as she has plenty of width and dimension from the ground up. Gwen is sired by Mr. V8 868/6, who is a son +Mr. V8 960/5, a dominating Brahman Show Bull, finishing his show career by being named the International Grand Champion Bull. He has an exciting pedigree that has a double shot of the +Mr. V8 702/3 x +Miss V8 666/3 mating, with his paternal grandsire, +Mr. V8 777/4 and Mr. V8 440/4. His dam, +Miss V8 552/5, was a dark-pigmented National Champion Female out of V8's most famous cow family, +Miss V8 4/5, that traces to Suva and Charley. On the bottom side of Gwen's pedigree, you see she comes from an outcross pedigree that was used to cross back on the V8 960/5 cow family. To top this offering off, Gwen ranks in the top 10% of the breed for birth weight, 25% for milk,
