Description

Look at this STUD!! Lee's Mr. Buster Manso has been one of a kind since he was born here. Looking through the lineup of sale cattle, we didn't know where to start as everything is SO good. When we were looking in the pen of cattle, there was this calf that came up and licked me right on the back of the leg behind myself, scaring me to death, and that calf was Buster, who we knew just had to be LOT #1 in the "Beauty of the Eye" Genetic Brahman and Female Online Sale. He has all the right pieces to make a great one, being big-boned and smoothly made with all the bells and whistles. He is also long, level down his top, and extra extended out through his front 1/3. Buster is one we can't get over and had a hard time selling. He is sired by Mr. V8 347/8, who, as you can tell from his picture, is a bull with a great build, with an outstanding spring of rib and deep body. He's also big-boned, very muscular, and puts all of this together in a super eye-appealing package which he passes the same thing on to his son. Cattlemen appreciate his build, but breeders also love his pedigree as he is a son of +Mr. V8 458/7 "Noble" who has been the most successful sire of show winners over the past three years. The dam to 347/8 is Miss

V8 387/6, who is still in production at 18 years of age and is sired by +JDH Charley's Jazz 946/1 and out of Miss V8 402/5, who lived to be 17 years old. The dam to "Buster" is the 18-year-old Ms. Tiara Casa D'oro 946/ who is the own daughter of +-GS Emperor Didor 135, who was a former champion accumulating 11 championship titles before he passed the torch. His progeny began earning titles culminating in 31 Champion Get of Sire Titles, 6 Show Animals of the Year, 2 Reserve International Champions, and 8 Register of Renowns. The grandmother on Buster's mom's side is the register of renown, +RLB Miss REM 146, who is sired by the Vanguard bull (+) JDH Remington Manso, who is out of out Vanguard cow \$ JDH LADY MANSO 945/8. Making this bull calf even more valuable, he ranks in the top ½ of the breed for BW, CW, YW, Milk, and Growth. This is a chance to purchase a show bull that can hang banners for you!! Here at Lee's Cattle Company, we try to produce cattle that will work in the show ring and the pasture, and we think this bull is the epitome of the brahman breed with Lee's Mr. Buster Manso 139/0!! Please bid with your utmost confidence because this bull will follow his sire selling a TON of semen after we get done winning shows!!

Special Notes – Lee's Cattle Company will retain half (1/2) of semen interest. The buyer will be purchasing half interest (50% ownership and 50% possession). Lee's Cattle Company is willing to continue to show the bull for the duration of his show career with approval from the buyer and in agreement with the seller that all costs will be split 50/50 including feed, vet bills, registration fees, and travel expenses.
