Now we are cooking!! Check out this super attractive red show bull consigned from Phillip Cattle Company, Mr. BAR LLL Fireball 278/1. This one puts together a lot of good things into one package. When you get Fireball out, and on the profile, you cannot help but be attracted as he is so clean under his underline and straight across his top, tying in so well behind his shoulder. Then, as you get him on the move, it's no surprise he meets his tracts every time, still holding all the pieces together nicely. He is sired by Mr. BAR LLL Havoc 222/7, the offspring of TO's Red Zone 99/9 and BAR LLL Miss Loretta 182. On the bottom side, the dam to Fireball is +Mr. Winchester Magnum 999/3 who was not only a National & International Champion but accumulated enough show points to be named ABBA Red Show Bull of the Year two times! Of course, 999/3's show record is impressive, but the impact that he has played around the world, siring numerous champions, makes him the most influential sire of the past 20 years and propels him to be the #1 Red Bull in the ABBA Register of Renown. To top this

offering off, Fireball ranks in the top 30% of the breed for marbling. If you are in the market for a great show calf already broken and ready to hang banners, don't miss out on Mr. BAR LLL Fireball 278/1!!
