### **Description**

Time-tested genetics! If you want to purchase some of the most proven and foundation genetics in the brahman breed, then lock in on this sexed embryo package. The sire to this mating is the many-time champion and now globally used polled red sire LMC LN Polled Pappo 136/6, who is sired by Polled Pathfinder, a top sire being used successfully in the USA and Australia. Polled Pappo's dam, Miss Triple C 5/4, is LMC's top polled red donor and is sired by the great +Winchester Magnum 999. The dam to these embryos is Miss MF Lady Katy 5/1, the daughter of the register of renown sire, +Mr. WCC Maximus Rojo 82/4. Maximus is a full sibling to the 2014 National Champion Female and 2015 All-American Grand Champion Female, and semen on Maximus is hardly EVER sold. On the bottom side of 5/1's pedigree is a very productive Double A cow, Miss Double A 3/150, who ranks in the top 2% of the breed for birth weight, carcass weight, yearling weight, REA, and marbling. Without question, the resulting calves from these embryos will represent some of the most

influential cow lines in the brahman breed. So take advantage of this exclusive package from Hollow Oak Farms!!

**Special Notes – Selling three female sexed embryos with a guarantee of one pregnancy. If no pregnancy is achieved with the first three embryos, one additional embryo will be given.**
