C4 Mr. Manso 17 has always been something nice to look at! Since I saw this bull in person, I have always appreciated his rib shape, extra muscle, and rugged build!! It is likely unexpected from a sire with so much power that he would have a -2.2 BW EPD and rank in the top 3% of the breed, which makes this bull even more valuable and versatile to commercial cattlemen. Adding even more value to this excellent herd, sire C4 has exceptional values for REA & Marbling, as well as his proven pedigree that should stand out to many breeders. C4 is sired by the great +Mr. H Maddox Manso 684, who just recently sired the 2021 International Grand Champion Grey Bull. The dam to C4 is a Registry of Renown female used by JD Hudgins, Inc. that has 54 registered progeny, including several show winners and herd influencers worldwide. This is a bull that every commercial cattleman worldwide should use to create top-of-the-line Golden Certified F-1's! Just look at the MEAT in this thing!! It's crazy!! If your looking to

add POWER, PERFORMANCE, and MUSCLE to calves don't pass up C4 Mr. Manso 17 as a must have semen lot!!

Special Notes: 10 Straws of CONVENTIONAL semen with 10 AI certificates and with the option to double up - additional certificates may be purchased for \$100 each.
