Color Grey

Description

What an opportunity!! Only in a sale like this would you be able to purchase embryos with this kind of power. Can you imagine the impact that this mating could have on your herd? You would expect the calf to be huge-boned, have a clean underline, and have an excellent look from the side. The sire to this mating is none other than the global icon and National Champion bull, +MR. BER 427 "Trump" who needs no introduction to the breed. In 427's winning career, he was named 2019 ABBA Show Bull of the year in 2021, winning the National Grey Brahman Get-of-Sire. The dam to this mating is Lady FR Yeti 10/0, a daughter of the register of renown and V8 Show Bull of the Year, +Mr. V8 933/7 "Yeti." It is no surprise that Yeti is backed by two of the most vital cow families in the brahman breed on both sides of his pedigree regarding growth, performance, and maternal ability. 933/7 is sired by +Mr. V8 191/7, an ABBA EPD trait leader for ribeye area (#1), yearling weight, carcass weight, and scrotal circumference. Daughters from this bull are very impressive and highly marketable. His three daughters to sell at public auction have averaged \$72,750. Talk about the pedigree this mating carries, and imagine what it's worth! Study this opportunity to

rise to the top of the breed from an embryo package sired by two outstanding parents in the brahman breed from Twisted Cedar Brahman!! Don't miss out, folks!!

Special Notes: Selling four conventional embryos with a guarantee of one pregnancy. If no pregnancy is achieved with the first four embryos, one additional embryo will be given.

Quantity: 4
