**Description**

Suppose you're looking to make your name well known, then you need to give this aspiration from MF Ms. Elmeaux Bam Bam 14/1 significant consideration. She is a rugged constructed female, probably one of the most phenotypically correct-made females with a stellar pedigree!! Bam Bam is long and level down her top into her center body and has just enough adequate bone to make her extra attractive and still maintain herself as a lady should. However, her pedigree is where things get pretty interesting! She is sired by the 2019 & 2020 Reserve International Champion Bull, CT Mr. Elmeaux Rhineaux 1/7. This bull is the result of crossing the National Champion and global icon +JDH Mr. Elmo Manso with the two-time International Champion, two-time National Champion, two-time ABBA Show Cow of the Year, and the #1 Register of Renown Cow, +CT Lady Rhineaux Ray 8/9. The mother to this incredible female is Moreno Ms. Lady Right On 224/1, who is also sired by the iconic and one of the most famous red bulls in the breed, +TJF Mr. Smokin Gun 109/7. As most know, the semen on Smokin Gun is extremely rare and expensive, making this opportunity only more valuable to purchase an IVF aspiration out of a granddaughter to this bull. Whether you are breeding red or gray, we think this female can lead you down many good roads to success. To make her even more valuable, you see that she ranks in the top 10% of the breed for yield grade, 15% for yearling weight, and 20% for weaning

weight. As we study this offspring, we think of this female as having high expectations. Mate her to whatever you choose, and she will indeed have an excellent calf for you. Don't miss out on one of the most elite IVF Aspirations from MF Ms. Elmeaux Bam Bam 14/1!

**SPECIAL NOTES: We are selling (1) IVF aspiration guaranteeing six transferable/freezable embryos produced from conventional or seller approved sexed/reverse sorted semen, with the work to be done at a facility approved by the seller. The buyer will be responsible for all costs associated with IVF procedures, including travel/hauling to the IVF facility. No guarantee if semen is sexed or reverse sorted unless you get the seller's approval before use.**
