LV Black Jack 80 (P) is a polled bull that everyone loves and is super gentle!! With his dark pigmentation, he is sure to catch your eye, not to mention his excellent phenotype. Black Jack comes to us long and level out through his hip, making him super attractive from the profile. You are not disappointed when you get in behind this bull, as he has a TON of meat in his hind quarter. Not only does this bull come with a super attractive phenotype, but when you study his pedigree, you realize this is the real deal. The sire to Black Jack is LV San Miguel Black 577 (P), the son of +JME Mr. Suva Crat 225 (P), who was the bull that sired the 1/2 interest \$105,250 heifer for V8 Ranch, Miss V8 554/9. On the bottom side, the dam to this great herd sire is LV Miss Ecleto 552 (P), coming from the great lines of San Miguel Cattle Company.
