Registration Number: ABBA # 1051092

Brand/Tattoo: 680/1

Talk about a female, and she is HOMOZYGOUS POLLED!! Hilltop Miss 680/1 is one you will love for her spring of rib, level top line, and classy eye appeal. When she gets out and moves across the pasture is where you like her most as she has so much ease to her step. The sire to 680/1 is Mr. V8 794/7, a former show bull but, more importantly, one of the past two years' most widely used polled sires. The sire of 794/7 is the Reserve International Champion +Mr. V8 191/7, and his dam is Miss V8 510/6, is also the dam to +Mr. V8 279/7 and Miss V8 100/6, the National Champion and dam of +Mr. V8 458/7 "Noble ." The dam to 680/1 is SRS Miss Polled Jazmine 460/8, who is an own daughter to +Mr. V8 458/7 "Noble ." Most know that "Noble" is a son of two National Champions and has sired a National & International Champion Get of Sire, the ONLY three-time International Champion Bull, an International Champion Female, and 3 Reserve International Champion Females. The dam to Jazmine results from some

embryos SRS purchased from V8 Ranch that are sired by their most influential polled bloodlines, including Mr. V8 51/6 and Miss V8 420/6, who they showed and retained two daughters. As you can tell, the pedigrees of the resulting offspring will be packed with some of the legendary genetics in the breed. To top this offering off, 680/1 ranks in the top 5% of the breed for yearling weight, 10% for yield grade, and 10% for weaning weight. Not only is EVERY calf from this aspiration going to POLLED, but you will also have calves that can compete in today's most competitive shows. Take advantage of an IVF aspiration from Winn Farms, Hilltop Miss 680/1 (PP)!!

Special Notes: We are selling (1) IVF aspiration guaranteeing five transferable/freezable embryos produced from conventional or seller approved sexed/reverse sorted semen, with the work to be done at a facility approved by the seller. The buyer will be responsible for all costs associated with IVF procedures, including travel/hauling to the IVF facility. No guarantee if semen is sexed or reverse sorted unless you get the seller's approval before use.
