Description

This female sexed embryo package combines one of the most popular sires in the breed with a donor from one of the most practical herds! Only in a sale like this would something this special be offered. Starting off the sire to this package is the beginning of the next generation of V8 POLLED genetics! Smooth polled with beautiful breed character and pigment, Mr. V8 824/8 "Polled Solution" (P) has the traits and genetics to produce the Polled American Brahman for the future. His sire is +Mr. V8 279/7, who has done so many

breeders worldwide, does a great job, evident in him reaching the ABBA Register of Renown. For those that might not know 279/7 he is sired by the National Champion and global icon +JDH Mr. Elmo Manso and out of Miss V8 510/6 who also produced Miss V8 100/7 (National Champion and dam to +Mr. V8 458/7 "Noble") as well as the herd sire Mr. V8 794/7. The dam to this package is 4F Polled 99/0 (P), an own daughter of Polled Pathfinder that has been used successfully in the United States by an exclusive group of breeders and by Nobbs Cattle Company of Australia. The dam to 99/0 is Miss 4F Polled Prima Donna 22/7, a proven donor as validated by her first four daughters who were show heifers or sale features. It is noted that Prima Donna is a full sister to LMC 4F Polled Diva 46/6, who was a many-time champion and is now a donor for LMC and 4F Cattle Company. As you can see, ladies and gentlemen, the expansion of polled cattle are happening rapidly. With this one purchase, your breeding program could quickly move to the front of the line, so be positioned to take advantage of this unique offering!

Special Notes – Selling three female sexed embryos with a guarantee of one pregnancy. If no pregnancy is achieved with the first three embryos, one additional embryo will be given.

Quantity: 3
