

Sale Name: "Kickoff To Summer" Genetic Brahman and Female Online Sale

LOT 25 - +SRS Mr. Captain Red Legs x Lady H Mandy Rojo 583/4- 3 Conventional Embryos

Description

Sire: +SRS Mr. Captain Red Legs

Dam: Lady H Mandy Rojo 583/4

D.O.B.: N/A

Breed: Brahman

Registration Number: ABBA # 844756 x 926912

Brand/Tattoo: N/A

Little explanation should be given on what the expected outcome of these embryos should look like, as this might be the best in the sale! As you can tell, the resulting calf should be red, growth, heavily structured, deep-bodied, and super attractive. The sire to this embryo package is +SRS Mr. Captain Red Legs, who we love the bone, rib, and muscle he offers but also see value in his outcross pedigree. Red Legs was the 2006 Reserve International Champion. Following his successful show career, he became even more successful by siring the 2014 International Champion Red Bull, the 2015 National Champion Red Bull, and the 2016 ABBA Red Show Bull of the Year. It should also be noted that Red Legs is sired by the +Mr. 3X Maxmillion-Aire 56 bull that has positively impacted the breed and out of the same dam as the 2018 Reserve National Champion and proven herd sire SRS Joe Kid 185, +SRS Miss Cibola 644. The dam to this embryo package is Lady H Mandy Rojo 583/4, sired by +Mr. Winchester Magnum 999/3 who was not only a National & International Champion but he also accumulated enough show points to be named ABBA Red Bull of the Year twice! 999/3's show

record is impressive, but his impact worldwide, siring numerous champions, makes him the most influential sire of the past 20 years and propelled him to the #1 Red Bull in the ABBA Register of Renown. Ladies and gentlemen, study your homework; offerings like this don't come around often, and when they do, you better take advantage of them!! Don't miss out on a stellar embryo package from Tappan Cattle Company!!

Special Notes: Selling three conventional embryos with a guarantee of one pregnancy. If no pregnancy is achieved with the first three embryos, one additional embryo will be given.

Quantity: 3
