Combining the popular with the proven! The pedigree of the resulting babies from this mating will incorporate some of the breed's most wanted genetics! The sire to these embryos is CCC Rip 151/0, a flush mate brother to the 2022 International Champion Red Bull, CCC Mr. Cletus 149/0. Although Cletus won the big prize, Rip had a successful show career and is preferred by many over his brother. Rip is sired by +Mr. BER Cash 336 who has been used successfully by several breeders with outstanding results. The dam to Rip is +Ms. Ella 104/6, shown successfully, is the result of two International Champions and is now proven validated by her winning progeny, which propelled her into the Register of Renown. The dam to this embryo package is Miss J&R 355, who is sired by +Mr. H Red Rhino, who has been one of the breed's most influential sires of the past 20 years. This sire was first widely recognized during his show career, which ended on a high note with an International Champion title. Following Red Rhino's show career, he was one of the first sires to produce semen that could be sorted, significantly increasing his use. One of the early influential offspring was +CT Lady Rhineaux Ray 8/9, a TWO-TIME National & International Champion and ABBA Show

Cow of the Year. As you can tell from the notes, we think a lot about this embryo package and know the impact that it will have on your herd. So if you want to create the next big thing, take advantage of this proven embryo package from Hollow Oak Farms; it's headed to the top!!
