Don't miss this offering of sexed embryos from the proven sire +JADL Rey TE 110 and Miss J&M Margarita 168/7. +JADL Rey TE 110 was a former show winner in Mexico that was imported into the USA by Alfredo Muskus. This top son of the Vanguard Sire, International Champion, and proven sire (+)JDH Madison De Manso 737/4 has worked exceptionally well for several breeders not only in the US but around the world, producing 48-point earners in ABBA Approved Shows resulting in him entering the Register of Renown. One of the 110s most notable progeny was Mr. RB 354/4 "Ring King," the National Champion, Reserve International Champion, and 2017 ABBA Show Bull of the Year. The dam to these embryos is Miss J&M Margarita 168/7, who is sired by +Mr. V8 777/4 "Powerstroke" undoubtedly ranks as one of the all-time great sires at V8 Ranch. Born in 1994, Powerstroke is sired by +Mr. V8 702/3 and out of the Reserve National Champion Cow +Miss V8 666/3. To add more value to this package, you expect the offspring to have an outstanding phenotype, but with this type of pedigree clout, you will surely catch any prospective buyer's eye. Don't miss out on a chance to

purchase embryos from two iconic breed-leading animals from Rutledge Cattle Company!!

Special Notes: Selling three female sexed embryos with a guarantee of one pregnancy. If no pregnancy is achieved with the first three embryos, one additional embryo will be given.
