LMC LN Polled Prodigy 188/7 is a bull everyone loves for his absolute POWER!! As you study this bull's build and performance, you realize how cool of an opportunity this is. Prodigy comes with a phenotype like no other: deep-chested, big-footed, and still carrying himself like a cat! Not only is Prodigy almost to perfection, but he has a proven pedigree to back him up. Not every day do you get to purchase semen on a FULL brother to the homozygous and many time show champion winner +LMC LN POLLED PAPPO 136/6. He is sired by the dark pigmented Polled Pathfinder, a champion producer. He is the sire of Polled Prodigy, but he is also the sire of the many times champion LMC LN Polled Daisy that won over 70 TCCA championships. Polled Pathfinder is sired by the great LMC Polled Madison and an outstanding E3 Pathfinder 333 daughter. Polled Prodigy's dam, +Miss Triple C 5/4, is a TANK and a top Polled Red donor. 5/4 is sired by the great +Winchester 999 and has produced some outstanding

calves. She is also highly fertile, as she has averaged over 20 good embryos per flush. In addition, she is well-bred, well-built, and has a model udder. She is now in the prestigious ABBA Register of Renown and is one of very few Polled Red Cows in the ROR. Looking through the pedigree, ladies and gentlemen, you can see that this is a proven bull that is ready to go to work on your cows!! To top this offering off, Polled Prodigy ranks in the top 10% of the breed for Marbling and top 15% for Birth Weight just right to use on heifers! It is to note that over \$75,000 in semen has been sold from Prodigy since our purchase. Don't miss this once in a lifetime opportunity to purchase a semen interest on a bull that can make a huge difference in your herd with LMC LN Polled Prodigy 188/7 (P)!!

Special Notes: Selling one "breeding semen interest" with a registration cert and 500 straws of conventional semen.
