What another great opportunity to purchase a semen interest on a proven herd sire, Mr. V8 622/7!! This is an outstanding bull that Wedgeworth Cattle Company purchased straight from the V8 Ranch. A bull with everything you could want in your herd sire with a complete package with both phenotype and genotype! You won't find a deeper-sided and sounder moving bull than 622/7, but check out the spring of rib that this one has!! Not only is he built just right, but he is backed by a proven and popular pedigree. He is sired by the popular JDH Cannon Manso, the offspring of the Maternal Performance Sire (=)JDH Josiah Manso and JDH Lady Red Bay Manso. On the bottom side, he is out of one of the top leading donors at V8 Ranch, Miss V8 498/7, an own daughter of +JDH Sir Avery Manso 159/7. As you look throughout the pedigree, you see many maternal-oriented cattle in the breed that are outstanding such as (+) JDH KARU MANSO 800, (+) JDH SIR LIBERTY MANSO, (+) JDH MR. CHARLEY MANSO, and

(+) JDH DAKOTA MANSO 599. As a result of his maternally superior pedigree Mr. V8 622/7 ranks in the top 35% of the breed for Growth and Carcass Performance. Don't miss out on another great opportunity to enhance your genetics into the future with Mr. V8 622/7!!
