If you are looking for a double-polled herd sire to add pedigree clout, performance, pigment, power, profile, and profit to your herd, stay with us on this incredible offering! LMC LF Polled Ern 192/5 (P) is one that we have loved since laying eyes on him. He is smooth throughout his lines and clean throughout his front one-third; you expect his daughters to be the same as we, and we can assure you they are nothing but GOOD!! Ern stands on a giant foot and bone, combining all these traits to pass them on to his offspring. Where we get most excited about Ern is his pedigree, which combines some of today's most sought-after genetics in the Brahman breed. He is sired by LMC Polled Madison, who, as everyone knows, is the product of the register of renown herd sire +LMC LF Polled Ambassador 700/7 (P) and JDH Lady Tillie Manso 221/7. On the bottom side of Ern's pedigree, you see that he is also out of one of La Muneca Cattle Company's top donors, LMC Polled Erin 138/8 (P), also an LMC WFF

Pistolero daughter. Folks, if you follow Carlos Guerra's herd, you notice that this is what he calls an LMC GOLDEN CROSS!! To top this offering off, Ern ranks in the top 10% of the breed for marbling, top 20% for weaning weight, and top 25% for yearling weight! This bull is a GROWTH CURVE BENDER!! Take advantage of one of the full Ai herd sires that are upcoming in the breed. It is to note that 100% of 23 calves so far sired by Ern are POLLED while using ten different horned cows. Get in while you can with LMC LF Polled Ern 192/5 (P) from Drake Farms!!

Special Notes: Selling 10 Straws of CONVENTIONAL semen with 10 AI certificates and with the option to double up - additional certificates may be purchased for \$100 each. Semen is available for export to foreign countries including Australia.

Quantity: 10
