---

Miss 65R Alondra 88/0 Manso is a female that every progressive breeder needs. She is very lovely in her build, having enough bone, length of body, and performance. When you study her pedigree, 88/0 is sired by Mr. BA 1/19, who combines genetics from Smith Brahman Ranch, Jd. Hugins Inc., and Rocking Check Cattle. The dam to 88/0 is Miss JS Bachata 114/0, who goes back to the register of renown sire +Mr. T.D. West 270. To top this female off, she charts positive for traits such as growth, milk, and

carcass performance. Are you looking for a stand-out mama cow? We don't think you can go wrong with this one, Miss 65R Alondra 88/0 Manso!
