King Eli from Royalty Performance Brahman is one of the stellar bull calves in the sale. As you study this young bull calf, you can't help but like him for his correct structure from the ground up. If you look at his pedigree, he is sired by Mr. V8 374/8, a full brother to the National Champion Miss V8 293/8. Mr. V8 374/7 is sired by +Mr. V8 380/6, who sired more show winners from 2011-2017 than any other sire, sharing his dam, +Miss V8 805/6, with Mr. V8 146/8, the ONLY three-time International Champion. The dam to King Eli is Miss Kara 37/6, who charts positive for traits such as birth

weight, docility, frame score, and milk. Looking at this stellar bull calf's EPD ranking, he ranks in the top 15% of the breed for docility, 15% for scrotal circumference, 15% for frame score, 30% for weaning weight, and 30% for yearling weight. If you are a commercial cattleman looking to purchase a potential herd sire with all of the qualifications that a suitable herd bull needs, don't miss out on King Eli; he is one of the good ones!!
