### **Description**

JDM Mr. Comet 314 is a bull that checks all the boxes for what you should look for in a herd sire. He is a stout-built, smooth-made bull that stands on a HUGE foot and bone. Being so stout made, he is also deep-chested but still has a refined look about him moving nicely off both ends. Not only does this bull have an outstanding phenotype, but he combines some of the most elite genetics in the Brahman breed! Comet is sired by the 2013 ABBA Premier Grey Show Bull of the Year, Mr. SG 85/1, that Ford Farms purchased back in 2012 from Adelyn Allen out of an own daughter of JDH Mr. Ruben Manso 549/1 that Kylee McMullen had a very successful show career with. Most importantly, Comet is also a "sleep-all-night" type of calving ease bull! Suitable for crossbreeding on heifers with a super low birthweight! Calves come light and grow fast. Saying this, to top this offering off, 314 ranks in the top 10% of the breed for birth weight, top 15% for REA, and top 30% for marbling. This is the all-around BEST out there, so do not miss out on JDM Mr. Comet 314!
