Rare Opportunity!! Study the robust build, pedigree, and performance of this POLLED female. We think that you will have to agree that this is a rare opportunity to combine these essential traits. Miss RHR 3/20 is the result of the signature cross that combines +JDH Mr. Elmo Manso's lineage on the influence of +Mr. V8 380/6. This genetic combination has proven successful with numerous show winners and sale toppers resulting. The sire to 3/20 is Mr. V8 733/7 "Polled Phenom," a full brother to +Mr. V8 458/7 "Noble" who is the most successful bull of the past three years. Miss V8 120/7 is

the dam to 3/20 and a daughter of +Mr. V8 380/6, who sired the most show winners of any sire from 2011-2017, and out of the proven donor +Miss V8 997/5, has 97 registered offspring, making her a full sister to the famous show bull and herd sire Mr. V8 137/8. Of course, Miss RHR 3/20 comes with a proven pedigree and outstanding phenotype, but in addition, she ranks in the top 10% of the breed for Growth and Ribeye Area. It is to note that this female was the second highest-selling female in the 2021 International Brahman Sale in Waco, TX selling for \$15,000. We are excited to offer the first-ever IVF Aspiration to the public because we think she has what everyone is looking for in the industry. She has so far been a GREAT producer for us averaging 47 OCC per aspiration. Don't miss out on maybe this one chance to purchase genetics off this elite female in Miss RHR 3/20 (P)!!

Special Notes: Selling (1) IVF aspiration guaranteeing five transferable/freezable embryos produced from conventional or seller approved sexed/reverse sorted semen, with the work to be done at a facility approved by the seller. The buyer will be responsible for all costs associated with IVF procedures, including travel/hauling to the IVF facility. No guarantee if semen is sexed or reverse sorted unless you get the seller's approval before use.

Quantity: 1
