Szczepanik Cattle Company has always supported our sales, and we appreciate them coming back and letting us market their genetics. In this offering, they offer a reverse sorted embryo package from two GREATS in the breed. The sire to this embryo package is LMC ECC Polled Patriot 1/9 (PP), who speaks louder than words! To start, he is HOMOZYGOUS POLLED and comes with a proven pedigree. Patriot is sired by Polled Pathfinder and out of the register of renowned female +LMC Polled Ponderosa 229/2 (P). If you study the genetic dam to this package, you notice that it is none other than SRS Miss Ava 468/8 who has a career of success stories. She is sired by +Mr. V8 458/7, as everyone knows him as "Noble." Having this stellar pedigree, you would think the

offspring would be docile, deep-bodied, ultra-feminine, and perform well. Don't miss out on this embryo package from Szczepanik Cattle Company!!

**Special Notes: Selling three sexed embryos with a guarantee of one pregnancy. If no pregnancy is achieved with the first three embryos, one additional embryo will be given. Items must be claimed within 45 days of the sale or the frozen genetics will be retained.**

**Quantity: 3**
