---

If you're looking for a bull that checks all the boxes, look no further than KR Fullen Altuve 502!! This is a bull who, if you're like me, you like them to have plenty of pure MEAT! As you can tell from the side view, this bull is remarkable as he is so deep-bodied, big-boned, and easy fleshing. We love Altuve not only for his phenotype but also because he combines a power-packed genotype. He is sired by Mr. TC Royal AG, a son of the register of renowned and many-time winner +5M Mr. Magnum Brass and out of Miss SNS 296/6 who goes back to the great (+) JDH Remington Manso. On the

bottom side, the dam to Altuve is KR Ms. Red Lotto 325, a granddaughter of what might be the most outstanding red herd sire produced by Tic Tac Toe Ranch, +TTT Mr. Texas Lotto 670, and on the top side having a grandfather as +Mr. JR Isaac Lotto 600. Back in 2016, Altuve won the Better Beef contest at the All American Junior National Brahman Show for being the top scanning bull for Marbling! Suppose you're looking for an outcross pedigree that can work with the most popular genetics of today and still perform. In that case, we encourage you to take advantage of this semen offering from this bull that could throw black calves when bred to darker pigmented cows. So don't miss out on KR Fullen Altuve 502!!

**Special Notes: Selling 10 Straws of CONVENTIONAL semen with 10 AI certificates and with the option to double up - additional certificates may be purchased for \$100 each. Items must be claimed within 45 days of the sale or the frozen genetics will be retained.**

**Quantity: 10**
