Consignor: Rocking H Ranch

Progressive breeders who study this package from Rocking H Ranch predict that the offspring will be growthy, elegant, and have a robust performance pedigree. The sire to this package is Mr. 4F Accelerator 7/6 (P) who is a homozygous polled sire that will add bone, muscle, volume and growth to his offspring. Accelerator is truly a rarity being one of the few bulls in the breed to be homozygous polled, heavy boned, deep ribbed, heavy muscled with the ability to inject growth and milk into his offspring as indicated by his performance profile. Not only is he built right with above average performance but he boasts a breed leading pedigree being sired by Mr. V8 279/7 a widely used son of the National Champion and global icon +JDH Elmo Manso and out

Miss V8 510/6 who is also the dam to Miss V8 100/7 and Mr. V8 794/7. The dam to Accelerator is a POLLED Double A Ranch cow that is backed by the proven genetics of the International Champion +Mr. V8 846/5 "The Rock", Miss V8 495/5 "Rose" one of the most influential females for V8 Ranch and then a cow from the legendary Diamond A Ranch. The dam to this package is Miss J&M Sexada 907/5, a daughter of the clone Mr. Karu Manso 800/1. The mother to 907/5 is the register of renowned female +Ms. Remington Manso 673/6 being out of the original (+)JDH Mr. Karu Manso 800. You expect this package to rank in the breed for traits such as milk, growth, and performance. Come to the sale to buy the best? Don't miss out on this package from Rocking H Ranch!!

Special Notes: Selling three sexed embryos with a guarantee of one pregnancy. If no pregnancy is achieved with the first three embryos within 1 year, one additional embryo will be given. Items must be claimed within 45 days of the sale or the frozen genetics will be retained.
