We are staying with the good ones, and WOW, what another great opportunity, folks, to purchase semen on a reserve international champion and register of renown bull, +BNA The Deacon Manso 253!! The "old school" genetics runs deep in this 23-year-old outstanding herd sire, and there are many things that you don't want to miss. The sire to 253 is the register of renown +Mr. V8 900/4, which is the result of +Mr. V8 189/4 and +Miss V8 287/3, who goes back over forty years to the J.D. Hudgins herd sire +JDH Mr. Rha Ely Manso 615/6. The dam to 253 is +Miss V8 423/4, from the direct lines of (+) Mr.

V8 202/3 and +JDH Loxey Gamel Demanso 55. It is to note that still, to this day, 253 ranks in the top 3% of the breed for yield grade and 10% for marbling. Looking for an outcross pedigree that people will still find attractive? We can't think of a better way than to use this iconic and performing herd sire, +BNA The Deacon Manso 253!!

Special Notes: Selling 1 Straw of CONVENTIONAL semen. Certificates can be purchased for \$150 each. Items must be claimed within 45 days of the sale or the frozen genetics will be retained.
