**Brand/Tattoo:** 423/8

**Consignor:** Rocking H Ranch

---

SRS Super Rock Star 423/8 is a bull that every progressive breeder should utilize in their herd! Rocking H Ranch needs no introduction as they are first-time consignors but no strangers to the breed. They have put together some of what are the most elite genetics in the breed! SRS Super Rock Star, for example, is a long and level bull that combines phenotype and genotype in a complete package. He is sired by +Mr. V8 458/7, as everyone knows as "Noble". You have heard the success story of Noble probably many times, but he is the most influential bull in the breed for producing

show ring winners. The dam to 423/8 is Miss Kallion 367, an own daughter of (+)JDH Mr. Karu Manso 800 and out of Miss RB 279/2. To top this offering off, Super Rock Star ranks in the top 1% of the breed for weaning weight, 1% for yearling weight, 4% for carcass weight, and 10% for REA. It is to be noted that this bull also ranks in the top 3% of the breed for \$Bull index and 2% for \$Queen index. We have written many footnotes for this sale, but studying the offering, there is not one bull such as this for EPD excellence standard in the sale. Reviewed this offering throughout, but there isn't much decision-making that needs to be made when looking at SRS Super Rock Star 423/8! He is so GOOD!

**Special Notes: Selling 5 Straws of CONVENTIONAL semen with 5 AI certificates and with the option to double up - additional certificates may be purchased for \$100 each. Items must be claimed within 45 days of the sale or the frozen genetics will be retained.**

**Quantity: 5**
