Rare opportunity!! This is one that we are sure proud of here at Lee's Cattle Company!! Switch is a bull that everyone loves for his gentle disposition as there was no need to halter break him. He is almost to perfection in his build! You love him for being so long and level down his top, having a ton of muscle and bone! If you are looking for a low birthweight Grey Brahman bull backed by some of the most proven genetics in the breed, you will want to take advantage of Mr. K Switch 04! He is sired by Mr. V8 85/7, a proven producer for V8 Ranch who has much power and performance. 85/7 is sired by the imported bull from Mexico, Jatl Rey TE 110, and out of Miss V8 410/6. His dam is Moreno Ms. Lady Shadia 46/1, a powerful female with colossal bone, heavy muscle, and ideal

breed character. She is sired by JDH Sir Stratton Manso 823/4, who is out of +JDH Mr. Elmo Manso. The dam is a founding donor for Moreno Ranches plus GS Ms. Mulherin Manso, $\frac{3}{4}$ a top producer with 39 offspring registered in ABBA. To top this offering, Switch was ranked #1 in the 2020 ABBA Performance Bull Test for scrotal circumference and #2 ranking bull for phenotype. We are meticulous about structural soundness, sheaths, and udders, and this is just it. This bull comes from one of the strictest herds for productivity and would expect that his offspring would be outstanding performers. Don't miss out on this proven herd sire with rare genetics that provides you with the opportunity to inject proven genetics into your herd with Mr. K Switch 04!
