Consignor: Hollow Oak Farms

Ms. US Polled Helena 795/1 (P) is another outstanding bred female from Hollow Oak Farms! Helena is long and level down her top, tying in quite nicely right behind her hump. As you study her from the $\frac{3}{4}$ view, you love how she catches your eye right from the start, being so elegant out of her front one-third on into her center body. This outstanding female is sired by Mr. US Polled Lex66 595/8, who is a grandson of two of the legendary sires in the breed, +BNA The Deacon Manso 253 and +JDH Sir Shank Manso. On the bottom side, the mother to Helena is Ms. US Shirley Manso 156/0, a daughter of JME Power Pack 446 going back to the register of renown herd sire, +TTT Mr. Suva Crata 450. As an added addition, this female ranks in the top 30% of the

breed for the \$Bull Index, 15% for the \$Queen Index, 10% for yield grade, and 10% for docility. If you are in the market for top-quality bred females that will make you money faster than any investment, mark Ms. US Polled Helena 795/1 (P) down as a must-have on sale day!

Special Notes: Sells bred 3 months to Mr. JS Polled Black Bat 202/2.
