### **Description**

WOW!!! Check this beauty out! Hollow Oaks Farm brought their best to this sale, and this female is just that! You love this one for how long and level she is from her hooks to her pins. You got to admire how she gets out and travels off both ends of her skeleton when you get her on the move. This is a babydoll of a heifer! When you study her from the ground up, she is a no-holes calf. You love how deep-bodied, big-boned, and rugged this female is. If you want a show stopper, here is your girl! She is notably sired by +TJF Mr. Smokin Gun 109/7, a many-time champion and now proven sire. Two of his most recent accomplishments are siring the 2020 International Champion Red Female and 2019 Reserve National Champion Red Female. These two winners are in addition to 367 other offspring with many winners that helped earn him the #1 Sire of the past five years for show points earned by progeny. As most know, the semen on Smokin Gun is extremely rare and expensive, making this opportunity more valuable. The mother of this beautiful red show female is Moreno Ms. Lady Reba Kay, who is sired by +JDH Mr. Kabram Manso. He has sired numerous winners and is a son of (+)JDH Woodson De Manso and triple bred (+)JDH Sir Liberty Manso. You are correct on Reba Kay's mother's side if you guessed that she was a granddaughter of the National Champion, Reserve International Champion, and ABBA Show Cow of the Year! +Moreno Ms. Lady Reba was a many-time show winner, but now she is a proven donor dam, as confirmed by her reaching the ABBA

Register of Renown and ranking as the #3 dam for 2019 as a result of the success of her progeny in the show ring. This female's genes run DEEP! This opportunity doesn't need much selling as it only makes sense to purchase some of the breeds' most proven and popular genetics! As a bonus, Hollow Oak Farms will let you name this female anything you want before they register her! If you're looking to win, we don't know a better place to look for the next champion than here with HOF "You Name Her"!!
