**Description**

Now here is one you will not want to miss out on!! JSH Miss Southern Bell is an excellent consignment from Hollow Oak Farms, being extraordinarily functional and ready to go to work for you. This female is moderate framed and one that you love for her capacity and depth of body. She is long and extended from her front one-third onto her center body, making her very attractive from the profile. She has an outstanding phenotype and comes with one of today's most proven pedigrees in the breed. Southern Bell is sired by the Heart Bar Ranch branded herd sire, MSP Sir Doc Holiday 448/1. When Heart Bar

Ranch started raising these brahmans, they wanted bulls that had good bloodlines, but most importantly, that would produce a tender carcass which is still essential to their program to this day after almost 100 years! The dam to this fancy female is Miss Kallion 1555 from Kallion Farms, and goodness, we can't say enough about those great folks as they raise some of the most docile cattle in the breed. We don't think you could have crossed them any better with this female having the essential traits such as tenderness, carcass weight, docility, and functionality. Making this female even more valuable, she charts positive for 11 of the 13 traits evaluated by ABBA. As all breeders in the breed are looking, you notice that this female is bred to LMC LF Polled Bulle 113/0 who is HOMOZYGOUS POLLED meaning the result of this mating will be POLLED. If you're looking for an outstanding female with a significant phenotype and genotype, come to the sale ready to buy JSH Miss Southern Bell!!

**Special Notes – will be confirmed bred 3 months to the homozygous bull, LMC LF Polled Bulle 113/0 (P) before pickup.**

**Quantity: 1**
